Adams Foundation to benefit from shopping on Amazon Smile

The William H. Adams Youth Foundation is now part of the AmazonSmile program. On-line shoppers can enjoy the same wide selection of products, low prices, and convenience found on Amazon, and have 0.5 percent of their purchases donated to the Foundation.

The AmazonSmile Foundation will make the contribution to the shopper's designated charity when visiting www.Smile.Amazon.com, a website operated by Amazon. On the first visit the customer is prompted to select a charitable organization, i.e. The William H. Adams Youth Foundation. On each subsequent visit, the site will automatically remember the organization of choice and continue to donate a percentage of eligible purchases.

Shoppers wanting to participate are asked to make sure to shop on www.Smile.Amazon.com as opposed to the original website at www.amazon.com
